TEXAS 4000'S MISSION IS TO CULTIVATE STUDENT LEADERS AND ENGAGE COMMUNITIES IN THE FIGHT AGAINST CANCER.

We share hope, knowledge and charity through leadership development, grantmaking, and our cornerstone event, a 4,000+ mile bike ride from Austin to Anchorage.

We share **HOPE** by letting those touched by cancer know that we are riding for them and fighting for a world without cancer.

We share **KNOWLEDGE** by bringing life-saving information about cancer prevention to communities and providing leadership development training to tomorrow's leaders.

We share **CHARITY** by contributing to cancer research and cancer support services while developing the next generation of volunteers and philanthropists.

Texas 4000 envisions a world where all students can become leaders in creating a cancer-free future.

Over the past thirteen years, Texas 4000 has proudly raised more than \$7 million in the fight against cancer, trained more than 600 student leaders, and impacted countless lives since our inception in 2003.
