

2017 Sierra Mail Drops

Friends and Family,

Texas 4000 uses “mail drops” at selected locations along our route so that riders may receive care packages and letters from friends and family. It’s always nice to receive things from people back home, but please keep a few things in mind when mailing packages and letters:

- Be sure to send the package or letter to the specified address with “Texas 4000 Sierra Rider: Rider’s Name” at the top, as you will see below.
- As we shouldn’t burden our host with the responsibility of our packages after our arrival, please ensure your package arrives on time by mailing them by the specified date. If a package arrives after our stay, the host reserves the right to discard or enjoy whatever goodies are inside!
- Please consider what you mail; we cannot haul large items because we are pressed for space in our vans and trailer.
- Do not send perishable items across the US/Canada border. Our hosts may incur delivery costs if you include perishable items in packages.
- For packages going to Canada, be sure to mark the outside as “gifts” so our hosts do not incur customs fees.

As an organization, we strive to maintain good relations with our hosts and contacts throughout the years. Please consider these guidelines before you send any packages our way. Below you can find specific mailing addresses for our 10 mail drop locations.

Thanks,

Nick Sajatovic | Sierra Travel Chair
