

TEXAS4000

FIGHTING CANCER EVERY MILE

It's Our 20th Anniversary Year!

"Looking back on twenty years of Texas 4000 for Cancer, I could not be more proud of where we have come and what we have accomplished! What started as an audacious plan to create the World's Longest Annual Charity Bike Ride has matured into a cancer-fighting institution that touches not only the lives of our student riders but all who join our fight and help us along the journey. I look forward to seeing the impact we make in our next 20 years, and beyond!"

-Chris Condit, Founder of Texas 4000 for Cancer

2024 Team: Spring Training, Ride Directors and Route Reveal!

It's been a busy month for our 2024 team! They kicked off the year by naming their Ride Directors and Assistant Ride Directors, and they've got six fantastic student leaders ready to lead the team to Alaska! Then, they headed to Spring Training Camp, where they honed their biking skills with the help of volunteer coaches and alumni. The excitement keeps building as the routes have been revealed! Whether it's Sierra, Rockies, or Ozarks, we're proud of the 2024 Team as they fight cancer every mile.

Welcome, 2025 team!

The 2025 team just had their first couple of meetings together! They're getting to know each other, learning about Texas 4000 for Cancer, formulating their fundraising approach, and will have their first team workout next week! We're pumped to be part of their journey as they get ready for the big adventure ahead!

NEW! Sponsor-a-Day Project

You can be part of The World's Longest Annual Charity Bike Ride. Each \$800 sponsorship helps cover the Summer Ride's daily costs. Riders will take a photo with a sign on your sponsored day to be shared on social media. We appreciate corporate sponsorship of days and will proudly display your company name.
